Join us on September 16th for Good Farm Fund's Farm-Raising Event!

[The Good Farm Fund](#) is turning 10 years old, and to celebrate, please join us for a Farm-Raiser dinner at Yokayo Ranch on September 16th from 5:30-9:30 pm. Tickets will be available soon.

To showcase the impact, network, and vibrance of our local food system, Good Farm Fund is connecting 20 local producers with 20 local chefs to create one-of-a-kind dishes that embody the flavor and spirit of Mendocino County. Good Farm Fund is still seeking local chefs to showcase their craft. If you are interested or know a chef who may be interested, please contact goodfarmfund@gmail.com by August 8th to confirm participation.

The Farm-Raiser funds Good Farm Fund's grant program, which provides essential resources such as greenhouses, fencing, irrigation, and cold storage for small farms in Mendocino and Lake Counties. We've raised over \$500,000 to strengthen local farms and food systems. The GFF FarmRaiser also supports food access, with over \$35,000 raised for Market Match, helping CalFresh recipients afford fresh, local food at farmers' markets. We firmly believe that with your participation, we can further this impact.
